SENATE  
Senate Bill No. 249

Introduced by SENATOR LACSON

**AN ACT TO FURTHER DEVELOP CAPABILITY AND ESTABLISH EXPEDITIOUS  
TRANSFORMATION OF THE DEPARTMENT OF NATIONAL DEFENSE AND ITS  
BUREAUS, APPROPRIATING FUNDS THEREFOR AND FOR OTHER PURPOSES.**

**EXPLANATORY NOTE**

The Department of National Defense (DND) is the primary agency which supervises the Armed Forces of the Philippines (AFP), the Government Arsenal (GA), the Philippine Veterans Affairs Office (PVAO), the National Defense College of the Philippines (NDCP) and the Office of Civil Defense (OCD). Furthermore, the DND is mandated to supervise and administer the AFP Modernization Program.

Section 15, Chapter I, Title VIII, Book IV of Executive Order No. 292 mandates the DND to maximize its effectiveness for guarding against external and internal threats to national peace and security, and provide support for social and economic development.

Enacted 82 years ago, Commonwealth Act No. 1 or the National Defense Act of 1935 is the primary legislation that governs the defense and security of our country. Amid the many institutional and organizational developments, technical and capability enhancements, and technological advances in the AFP, the provisions of the law are deemed to be obsolete to adapt to changes. Thus, it is high time to pass a law that envisions a stronger defense department capable of addressing the current threats to our national security.

No less than President Rodrigo Roa Duterte, during his second State of the Nation Address (SONA), declared the need for a stronger and more credible National Defense System in order to address transnational issues such as insurgency and terrorism.

Hence, this Bill is envisioned to update national defense policies, principles and concepts, to institutionalize needed improvements and to codify various laws on national defense, the AFP, and the civilian bureaus, with the end in view of streamlining and further professionalizing our country's defense establishment.

Among the salient provisions of the Bill include:

1. Prohibition on the sale of defense real estates, except otherwise recommended by the Secretary of National Defense (SND), approved by the President and with the consent of Congress; and a provision mandating that all income derived from the lease or

development of defense real estate shall be remitted only to the AFP Modernization Act Trust Fund.

2. Inclusion of the SND in the Chain of Command. Under the new Chain of Command, exercise of authority, direction, command and control over the AFP shall be carried out from the President as the Commander-in-Chief, through the SND, AFP Chief of Staff (COS) down to the commander of the lowest level of commands in the AFP. However, such new chain would not preclude the President from issuing orders directly to the AFP.
3. The Joint Force Operational Commands (JFOC), as force employers, and the Component Services as force providers.
4. The SND shall prescribe the authorized number of officers in the regular force in each grade in each Component Service in accordance with the Table of Organization and Equipment.
5. The integration of the Women's Auxiliary Corps in the Component Services and repeal of RA 3885, as amended.
6. The integration of the Technical and Administrative Service in the Component Services.
7. The establishment of the Warrant Officers in the AFP composed of highly technical experts, combat leaders, trainers, and advisors who specialize, throughout their career in a specific technical area. Warrant officers shall serve in specific positions requiring greater longevity to achieve increased technical expertise, as well as increased leadership and management skills.
8. Mandatory citizen service for all natural-born or naturalized Filipino citizens for a minimum of two (2) years.
9. Transformation of the National Defense College of the Philippines (NDCP) into the National Defense University of the Philippines (NDUP). The Master in National Security Administration (MNSA) or its equivalent shall be required for appointment or designation to key positions and promotion of AFP officers to the grade of O-7 (Brigade General/Commodore).
10. Exemption from the requirement of RA9184 or the government procurement law in the acquisition for use by the AFP, upon prior approval of the President of the Philippines, if it involves special defense equipment, or when the SND has determined that the interests of the country shall be protected by negotiating directly with a local or foreign supplier, provided that such procurement contract shall be covered by a performance security.
11. Exemption from import and other licenses imposed by other agencies for all acquisition by the DND of defense materiel.

It is for this purpose that the approval of this bill is earnestly sought.
