SENATE

RECEIVED BY

**SENATE BILL NO. 2228**

(in substitution of Senate Bill No. 1820, taking into consideration HBN 8441)

Prepared jointly by the Committees on Environment and Natural Resources; Tourism; and Finance with Senators Villar, Binay and Legarda as authors

**AN ACT**

**DECLARING THE BALANGA WETLAND AND NATURE PARK LOCATED IN BARANGAY TORTUGAS, CITY OF BALANGA, PROVINCE OF BATAAN AS A RESPONSIBLE, COMMUNITY-BASED ECOTOURISM ZONE AND APPROPRIATING FUNDS THEREFOR**

*Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:*

1       **SECTION 1.** *Short Title.* – This Act shall be known as the "Balanga Wetland  
2 and Nature Park Responsible Ecotourism Act".

3       **SEC. 2.** *Declaration of Policy.* - The State is mandated to promote a tourism  
4 industry that is ecologically sustainable, responsible, participative,  
5 culturally sensitive, economically viable, and equitable for the local community.  
6 Towards this end, the Balanga Wetland and Nature Park (BWNP) is hereby  
7 declared a special ecotourism zone. It shall be accorded priority development  
8 by the Department of Environment and Natural Resources (DENR), Department  
9 of Tourism (DOT), Department of Public Works and Highways (DPWH), and the  
10 Tourism Infrastructure and Enterprise Zone Authority (TIEZA) and shall be  
11 subject to the rules and regulations governing the development of

1      ecotourism zones provided in the national ecotourism strategy jointly issued by the  
2      Department of Environment and Natural Resources (DENR) and the DOT.

3           **SEC. 3. Objectives.** - Pursuant to the above declaration of policy, the State  
4      shall endeavor to accomplish the following:

5               (a) Develop and promote responsible, community-based ecological tourism  
6      as the core management strategy in the development of the BWNP;

7               (b) Ensure the conservation of the biodiversity and the preservation of the  
8      said ecotourism park;

9               (c) Develop ecotourism products and programs that will generate  
10     employment and livelihood for the local residents concerned, consistent with the  
11     preservation and maintenance of natural resources;

12               (d) Guarantee that the financial and economic benefits of the tourism  
13     industry are equitably shared by, and distributed among the local residents  
14     concerned by giving preference and support to community and home-based tourism  
15     enterprises, such as, but not limited to, micro and small businesses including local  
16     inns, lodges and homestays, restaurants, food and fruit stands, and other similar  
17     tourism oriented industries and businesses;

18               (e) Ensure that the quality of local ecotourism programs and activities are  
19     educational and enriching for tourists and visitors through the provision of  
20     orientation, educational and tour programs by local tour operators, non-government  
21     organizations (NGOs), the local government of the City of Balanga, the DENR, and the  
22     DOT; and

1           (f)   Guarantee that in the development and promotion of the local tourism  
2   industry, the local government of the City of Balanga shall ensure that the needs of  
3   local residents for adequate water supply, food, energy and local construction  
4   materials are first secured and met.

5           **SEC. 4. *Definition of Terms.*** —As used in this Act:

6           (a)   *Buffer Zone* refers to identified area outside the boundaries of and  
7   immediately adjacent to the BWNP that needs special development control in order to  
8   avoid or minimize harm to the BWNP;

9           (b)   *Community-Based Ecotourism* refers to a form of tourism where the local  
10   community and its residents have substantial control and involvement in the  
11   development and management of the local tourism industry and a greater portion  
12   of the economic gains remain within the community;

13           (c)   *Ecotourism* refers to a form of sustainable tourism within a natural area  
14   where community participation, protection and management of natural  
15   resources, cultural and indigenous knowledge and practices, environmental  
16   education and ethics, as well as economic benefits are fostered and pursued for  
17   the enrichment of host communities and the satisfaction of visitors;

18           (d)   *Homestay* refers to a system of tourist accommodation where a tourist  
19   stays with local residents and experiences the day-to-day life within the local  
20   community;

21           (e)   *Responsible Ecotourism* refers to a form of sustainable tourism in which  
22   both the tourism sector and the tourists take responsibility in the protection,  
23   respect, and conservation of the natural environment and the local culture and ways

1 of life, and where community participation as well as economic benefits are fostered  
2 and pursued for the well-being of the local people and visitors.

3       **SEC. 5.** *Balanga Wetland and Nature Park Ecotourism Zone.* — The Balanga  
4 Wetland and Nature Park (BWNP) located in Barangay Tortugas, City of Balanga,  
5 Province of Bataan is hereby declared as a responsible, community-based ecotourism  
6 zone. It shall be accorded priority development by the DOT, DENR, DPWH, and TIEZA  
7 and shall be subject to the rules and regulations governing the development of  
8 ecotourism zones provided in the national ecotourism strategy jointly issued by the  
9 DENR and DOT.

10       **SEC. 6. Scope and Coverage.** — The BWNP, which shall cover an area of One  
11 hundred fifty-three thousand five hundred seventy-eight (153,578) square meters of  
12 mangrove forest and one hundred eighty-seven thousand five hundred (187,500)

- 9 to the point of beginning containing an area of one hundred eighty-seven thousand  
10 five hundred (187,500) square meters, more or less.
- 11 The metes and bounds of the BWP shall be indicated on maps and/or nautical  
12 charts. Any modification of the coverage of this Act due to such factors as changing  
13 ecological situation, new scientific or archeological findings, or discovery of traditional  
14 boundaries not previously taken into account shall be made through an act of  
15 Congress, after consultation with the concerned government agencies.
- 16 **SEC. 7.** *Establishment of a Buffer Zone.* — There shall also be established buffer  
17 zones surrounding the BWP for the purpose of providing extra protection around the  
18 area, where restrictions shall apply and communities can assist in repealing threats to  
19 the BWP. Such buffer zones shall be managed according to the ecotourism  
20 development and management plan formulated pursuant to this Act.
- 21 Such buffer zone shall be included in the ecotourism development and  
22 management plan of the BWP: *Provided*, That no build up or reclamation detrimental

1 to the biodiversity in the BWP shall be done within the designated buffer zone. The  
2 Council shall exercise its authority over the designated buffer zone.

3 **SEC. 8. Balanga Wetland and Nature Park Ecotourism Development**  
4 and Management Plan. – The DENR and the DOT, in coordination with  
5 the DPWH and TIEZA, shall jointly assist the Balanga Wetland and Nature  
6 Park Development Council, herein created, in the formulation of the  
7 ecotourism development and management plan for the BWP that shall be  
8 complemented by a set of guidelines for a responsible, community-based  
9 ecotourism. The ecotourism development and management plan shall ensure  
10 the preservation of the eco-park and shall include the following components:

11 (a) Carrying capacity of the eco-park and its migratory birds;  
12 (b) Specific site assessment;  
13 (c) Identification of strategic priorities;  
14 (d) Product development for local income generation;  
15 (e) Capacity-building for the local community to allow residents therein  
16 to ably manage economically viable and responsible, community-based ecotourism  
17 business enterprises;

18 (f) Support for the formulation of local production groups and networks,  
19 including the marketing and pricing of products;

20 (g) Marketing strategies that reflect the natural, social and environmental  
21 integrity of the BWP;

22 (h) Regular water quality monitoring of the Talisay River;  
23 (i) Management and maintenance of the mangrove areas;

1           (j) Solid and liquid wastes management; and  
2           (k) Solutions addressing the problem of the declining population of the  
3       waterbirds as reflected in the annual waterbird census.

4       The process of developing the ecotourism development and management plan for  
5       the BWNP shall be participatory, from the bottom up, with the framework to be provided  
6       by the DOT and DENR, in consultation with the Balanga Wetland and Nature Park  
7       Development Council herein created.

8       In order to protect the mangrove forest in BWNP, the foreshore areas shall not  
9       be leased to any private entity.

10       **SEC. 9. Formation of the Balanga Wetland and Nature Park**  
11       *Development Council.* - A multi-sectoral council to be known as the "Balanga  
12       Wetland and Nature Park Development Council", hereinafter referred to as the  
13       Council, shall be created. It shall be composed of the following members:

- 14           (a) The Mayor of the City of Balanga as Chairperson;  
15           (b) The head of the City Tourism Office of Balanga City as Vice-chairperson;

- 5                 (PENRO) of Bataan;
- 6                 (l) The Chairman of the City Fisheries and Aquatic Resources Management
- 7                 Council of Balanga City;
- 8                 (m) One representative from an academic institution, preferably from a
- 9                 university or college in the Province of Bataan, with proven track record in or related
- 10                 to wetlands and/or waterbird management;
- 11                 (n) One representative from the private sector, preferably a resident of the
- 12                 Province of Bataan, who is distinguished in a profession or field of interest relevant to
- 13                 wetlands and/or waterbird management; and
- 14                 (o) One representative from either a non-government organization (NGO) or
- 15                 People's Organization (PO), duly accredited both by the DENR and the provincial
- 16                 government of Bataan. The NGO or PO represented should have been in existence for
- 17                 at least five (5) years with track record in or related to wetlands and/or waterbird
- 18                 management.
- 19                 The *ex-officio* members of the Council by virtue of their elective or appointive
- 20                 government positions as specified in the immediately preceding subparagraphs (a),
- 21                 (b), (c), (d), (e), (f), (g), (h), (i), (j), (k), and (l) shall serve for the duration of their
- 22                 respective terms of office in their respective elective or appointive government
- 23                 positions.

1       The members of the Council specified under subparagraphs (m), (n), and (o) of  
2    this section shall be elected by the *ex-officio* members of the Council in a transparent  
3    and fair selection process. They shall each serve a term of three (3) years and may  
4    be reappointed for another term.

5       The members of the Council shall serve without compensation, except for the  
6    actual and necessary travelling and subsistence expenses incurred in the performance  
7    of their duties, either in their attendance in meetings of the Council or in connection
