S. No. 897

RECEIVED

Introduced by SENATOR MANUEL LITO M. LAPID

**AN ACT  
MANDATING THE INSTITUTIONALIZATION, DEVELOPMENT, TRAINING,  
ORGANIZATION AND ADMINISTRATION OF BASIC RESERVE OFFICERS  
TRAINING CORPS (ROTC) IN GRADES 11 AND 12 IN PUBLIC AND PRIVATE  
EDUCATIONAL INSTITUTIONS, FURTHER AMENDING REPUBLIC ACT NO.  
7077, OTHERWISE KNOWN AS THE "CITIZEN ARMED FORCE OR ARMED  
FORCES OF THE PHILIPPINES RESERVIST ACT", AS AMENDED BY  
REPUBLIC ACT NO. 9163, OTHERWISE KNOWN AS THE "NATIONAL  
SERVICE TRAINING PROGRAM AND APPROPRIATING FUNDS THEREFOR**

**EXPLANATORY NOTE**

Section 4, Article II of the 1987 Constitution states that "the prime duty of the Government is to serve and protect the people. The Government may call upon the people to defend the State and, in the fulfillment thereof, all citizens may be required, under conditions provided by law, to render personal military or civil service."

On June 27, 1991, Republic Act No. 7077, also known as the "Citizen Armed Forces of the Philippines Reservist Act, was enacted that provided for the establishment of the Reserve Officers' Training Corps (ROTC) as a requirement for tertiary level students to acquire a baccalaureate degree in colleges, universities and similar learning institutions.

However, the passage of Republic Act No. 9163, or the "National Service Training Program Act of 2001", which amended RA No. 7077, made ROTC optional

and voluntary. The National Service Training Program (NSTP) provided trainings towards civic consciousness and defense preparedness with 3 program components: (1) Reserve Officers' Training Corps (ROTC), (2) Literacy Training Service, and (3) Civic Welfare Training Service. Under the NSTP, there was a significant decline in the number of students who enroll in ROTC.

This bill therefore is being proposed to promote the spirit of nationalism, nation-building and national preparedness among our Filipino youth and enhance the capacity of our nation to produce the needed manpower in times of war, calamities and disasters and national or local emergencies.

It seeks to establish a mandatory two (2) year Basic ROTC Program as part of the basic curricula in all senior high schools in public and private educational institutions. Also, it provides for the following, among others: (1) Safeguards for students from the occurrence of hazing, corruption and other forms of abuses. (2) A Grievance Committee that is tasked to receive complaints or *motu proprio* conduct investigations on any complaint or allegation of abuse, violence or corruption in any educational institution implementing the Basic ROTC Program and (3) Advance ROTC Program in tertiary institutions which shall continue to be voluntary and optional under RA 9163 and RA 7077.

In view of the foregoing, the early passage of this bill is earnestly sought.

MANUEL "LITO" M. LAPID
